Presbyterian Church (U.S.A.)

**INVESTMENT & LOAN PROGRAM, INC.**

For over 150 years, Presbyterians have supported the growth and expansion of our churches through low-cost loans. For most of that time, funds for these loans came through endowments established for church growth. In fact, the first major endowment dates back to the 1860s and these funds are still building churches today.

Since 1976, Presbyterians can provide loan funds through their savings and investments by purchasing interest-bearing notes through the Presbyterian Investment & Loan Program. As a result, the funds available are greatly expanded and more congregations are being served.

When churches borrow through the Investment & Loan Program, they not only get a low interest rate but the interest they pay is helping other churches expand ministry and ministry. Over half of the interest paid on General Assembly loans goes back into local mission through grants and loans.

Loan funds are available for all PC(USA) churches that are building, expanding or re-shaping space as well as refinancing existing loans. These endowments and investments helped Nacooa Community Church purchase and existing church building to save its congregation of recent immigrants.

For more information about loans or investments for your church, contact Ben Blake at (800) 901-7357, Ext. 5865 or at ben.blake@pcusa.org.

Nacooa Community Church, Cleveland Park, NC.

Beginning with a prayer group in an apartment and only a few African immigrants, Nacooa Community Church has grown into a vibrant congregation of nearly two hundred souls.

Reverend Dr. David Natsok, pastor, says, “It has been a long journey, both literally and figuratively, for the members of our wonderful church. Shortly after our formation, we began having meetings at Village Presbyterian Church in Prospect Village, who offered to support the fellowship.”

Pastor Natsok adds, “Our newly acquired multi-purpose building allows us seating for two hundred fifty worshipers and has a large foyer, five offices, a conference room, kitchen and classrooms for our growing Sunday School.”

“We are grateful to the Presbyterian Investment and Loan Program for their assistance and for the help of Presbyterian investors and donors in providing financing for our new building.”
